Sir,

Adverting to Government Proceedings No. 1739/67-92 dated 27th February 1903, forwarding an objection Statement on the Muzrai account of Sri Chamarajeswara Swami temple at Chamarajnagar for the month of June 1903, I have the honor to state that as regards item Nos 1, 2 and 4, the Amildar has been directed to obey the orders of the Government and put a stop to the unauthorized

rections.

The allowance of one seer of rice to Kamalabayi widow of Shroff Ramachandra Rao may be combined in consideration of her destitute condition in life.

The other Kamala Bayi, widow of Police Jaffedar Ramachandra Rao is equally hard up and her case also deserves the kind consideration of the Government.

I therefore request that the Government may be moved to sanction the rice allowances to the two widows mentioned above

The Amildar's report No. 129 dated 8th May 1903 is herewith submitted with all its enclosures for favor of perusal and kind return.

I have the honor to be,

Sir,

Record :—

Correspondence ending with Letter no 316 dated 4th June 1903, from the Dy Commr, Mysore District, submitting explanations on the several points noted in the objection statement on the Mysore Accounts of the Sri Chamarajendra Swamii Temple at Chamarajapuram, for the months of June 1902.

No 676 Dt 10/9/03
Mun F 67-92
Encl

Under Rules —

The chief objections points observed in the monthly Accounts for June 1902 were :—

(i) The Archakar one Sundararaja Iyengar having issued an order to the Temple Peishkar on his own responsibility in June 1901, directing that the small quantity of rice, which is issued at the close of each month in daily measure and the rice fixed as Padikaram in the Tirukkai Patti, be utilized for the preparation of Cooked food &c, in view to the same being used for the benefit of travellers and others.

(ii) The same Archakar unauthorizedly granting one Iser of rice every day from the premises under the head "Sirukkolu" or 'Padikaram" for Nivedana

to Vinayaka and Chammundeswari at the entrance of the temple.

(iii) The Offg Dy Commrs, Mr Ramanujiengar, having granted one-sun offices with emoluments duly to one Kumaluraja, nephew of late Shroff Ramachandra Rao, temple and another Kumaluraja, nephew of Police Daffedar Ramachandra Rao.

2. As regards the first two items, it was pointed out in Govt Endo No 1739 Mung Fi 67-92 dated 27th February 1903, that the Amildar should not have taken the responsibility of issuing such orders, without the previous sanction of Govt; and it was also

also directed that his orders should be held in abeyance pending final orders of Government on receipt of the Dy Comm's ~~report~~ reply. In the present Communication from the Dy. Comm^r read above, that officer reports that he has issued orders to the Builder that such unauthorised actions should be put a stop to in future. That observes that if a saving is effected in the quantity of provisions supplied for daily consumption in any month, the same should be brought to the credit of the temple and a smaller quantity purchased for the next month -

Done.

3. Due arrangements should be made to have the daily Puja performed regularly to Vinayaka and Chamundi alluded to above, by the existing staff of the Archaks in the temple, without any extra cost. They should do Puja and offer Nivedana as they do in the case of the other minor shrines within the precincts of the temple.

4 As regards the grant of rice allowance to Kuma-kularaja, widow of the temple Shrotriya Ramachandra Rao, it is observed that the said Ramachandra Rao was a temple Official who died suddenly of

of Plague, leaving his
widow and other members
of his family in destitute
circumstances. The allowance
of one seer of rice per diem
with condiments sanctioned
in the case of his widow
(Kamalabayi) may be
continued until further
orders, the charge being
debited to the Sivaskanda
allowance of the Chamarajanagar
Temple -

5. In regard to the allowance
of one seer of rice to Kamalabayi,
widow of the deceased
Police Daffedar Ramachandra Rao
it is observed that Mr.
Ramaraja Iyengar's procedure
in having sanctioned the
allowance without reference
to Government, was irregular: -

But

But in view of the fact that the window in question drew the allowance for some time and that the present Dy. Commr. and Kunturaj Urs reports that the grantee is hard up and deserves help, the Govt. are pleased to sanction the continuance of one Seer of rice daily to the said Kunthabaji. The charge in his case also should be met from the provision made for the Sivakoti of the Chamarajanagar Taluk.

6. Govt. assume that the allowance sanctioned as above, nearly absorb the whole of the amount of—

of Rs 12 per mensem fixed on account of the Sivakoolu in the Chinnayasoor Temple. They have therefore to insist upon the strict observance by local officers of the existing orders, which direct that no allowances to individuals in grain &c or in cash should be sanctioned without the previous sanction of Govt in each case —
